

West GA Medicinal Herb and Hemp Development Program

Deadline: October 13th, 2020

Applicant Requirements: The program targets women, minorities, and veterans in Cobb, Carroll, Douglas, South Fulton and surrounding areas. Applicants are accepted into the training program based on slot availability.

Each application will be reviewed by our committee within 48 hours of receipt. The training program can range from 9 to 12 months.

All in-person training will adhere to CDC recommendations for safety during the Covid-19 pandemic including hand washing, social distancing and wearing masks.
